

JP Equestrian Summer Camps 2018

Camp dates:

Session 1 June 26-29

Session 2 July 10-13

Our equestrian camps offer the opportunity to learn more about hunter/jumper riding and the care of horses from experienced instructors. Riders will gain knowledge and self-confidence throughout the week. Our facility creates an atmosphere where campers can increase their horseback riding skills, expand their knowledge, and enjoy riding with friends. Our staff is trained to teach a wide range of riders. Students will be matched into appropriate groups for their age and level. Young beginners get to learn all about their favorite horses and may learn to post the trot, while others are learning to canter and jump. More advanced riders may get to jump through gymnastics and increase their skills through various exercises and courses. We have several crafts planned for the kids to enjoy while they take a break from the heat! Riders will be assigned an appropriate mount for their daily riding lesson. Please bring a lunch and plenty of water and Gatorade, and plan for a day of fun and learning!

Hair should be pulled into a ponytail and proper riding attire including paddock boots needs to be worn. Please drop off at 9:30 a.m. and pick up at 2:30 p.m.

Cost is \$350 per camper per week. Payment is due one month prior to the start of each camp. Please sign up by emailing jpickeringequestrian@gmail.com
